“THE PRINCIPLE OF DILIGENCE” Proverbs 10:3-7

- ³ *The LORD will not allow the righteous to hunger,
But He will reject the craving of the wicked.*
- ⁴ *Poor is he who works with a negligent hand,
But the hand of the diligent makes rich.*
- ⁵ *He who gathers in summer is a son who acts wisely,
But he who sleeps in harvest is a son who acts shamefully.*
- ⁶ *Blessings are on the head of the righteous,
But the mouth of the wicked conceals violence.*
- ⁷ *The memory of the righteous is blessed,
But the name of the wicked will rot.*

GOD'S BLESSING TAKES PLACE WHEN WE RETURN TO GOD WHAT IS HIS AND GENEROUSLY GIVE TO OTHERS BY FAITH. WE DO THIS BEST WHEN WE WORK DILLIGENTLY AND SPEND WISELY LEAVING ROOM TO BLESS AND TO BE BLESSED.

DILIGENCE = Being sharp with all you have!

Being prepared and focused with everything God has given you so that you can make the biggest difference in this life.

Adult Bible Study - ANGELS beginning January 12 on WEDNESDAY Evening and repeating on SUNDAY Evening.

Over the years there have been many secular books on angels, but these books do not often take into account the Bible’s view. Since angels are a biblical phenomenon, it would make sense to go there first to find out what is really true about them. Angels are mentioned 108 times in the Old Testament and 165 times in the New Testament. They are recorded performing various tasks and ministries, and some are even described in detail, details that are far removed from paintings of plump smiling cherubs. Not surprisingly, there are many misconceptions in the world about angels. Join us as we explore scripture and replace ungrounded notions with biblical truth about these magnificent creatures the Bible calls angels.

UNSEEN; The Things that Control Our Lives
A new sermon series beginning January 30, 2022
When we look at a tree, there is so much more that we don’t see. We never see the root system. However, everything we see is supported by what we don’t see. The water and minerals that sustains the tree exist in an unseen world. The same thing is true in life for us. Significant elements of our lives are unseen and many times we are not even aware of them. Sometimes the things that are unseen are more real than the things we see. Join us as we explore the unseen dimension of Life.
