Mark 2:23-28

23 And it happened that He was passing through the grainfields on the Sabbath, and His disciples began to make their way along while picking the heads of grain. 24 The Pharisees were saying to Him, "Look, why are they doing what is not lawful on the Sabbath?" 25 And He said to them, "Have you never read what David did when he was in need and he and his companions became hungry; 26 how he entered the house of God in the time of Abiathar the high priest, and ate the consecrated bread, which is not lawful for anyone to eat except the priests, and he also gave it to those who were with him?" 27 Jesus said to them, "The Sabbath was made for man, and not man for the Sabbath. 28 "So the Son of Man is Lord even of the Sabbath."

Mark 3:1-6

1 He entered again into a synagogue; and a man was there whose hand was withered. 2 They were watching Him to see if He would heal him on the Sabbath, so that they might accuse Him. 3 He said to the man with the withered hand, "Get up and come forward!" 4 And He said to them, "Is it lawful to do good or to do harm on the Sabbath, to save a life or to kill?" But they kept silent. 5 After looking around at them with anger, grieved at their hardness of heart, He said to the man, "Stretch out your hand." And he stretched it out, and his hand was restored. 6 The Pharisees went out and immediately began conspiring with the Herodians against Him, as to how they might destroy Him.

Adult Bible Study – SPIRITUAL WARFARE: Week 4 – What Satan Really Wants

In war, experienced generals seek to identify the key objective that will most limit their enemies ability to fight. They want to capture or destroy the vital area that determines the opposing army's ability to wage war. This worldly pattern sheds light on a scriptural reality: Imagine sitting in Satan's command and control center with his top demons. More than anything else they want to cripple your ability to wage war.
